

11th Annual South Valley Wine Auction

Benefits Morgan Hill
Unified School District
Athletic Programs

April 3, 2009
Morgan Hill Community and Cultural Center
Morgan Hill, California

From the Wine Auction Committee

Thank you for attending the 11th Annual South Valley Wine Auction which benefits the Morgan Hill Unified School District Athletic programs. Our student athletes need and appreciate your support.

Your endorsement of these programs, as shown by your bids and purchases tonight, mean so much more than just equipment and scholarships for our student athletes. When our young men and women travel to sporting events outside the area, they are ambassadors representing Morgan Hill schools. We need to support their efforts fully so that they may truly reflect the fine community we live in. Community supported student programs demonstrate that both the residential and business sectors of Morgan Hill are vibrant and supportive of a healthy community life-style.

We extend our personal thanks to the dozens of people, businesses, civic organizations, and volunteers who have helped make this evening possible. Without their generous donations of time, material, food, auction items, and of course wine, this event never would have been possible.
